Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Monday 14 Jun 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Fine and warm with sunshine.

Today:
Fine and dry to start, with sunny spells. Clouding over during the morning, with the odd spot of drizzle in the Peak District. Cloud breaking in the afternoon to give further sunny spells. Warm, or very warm in the south. Maximum temperature 26 deg C (79 deg F).

Tonight:
Dry overnight with some patchy cloud, but also plenty of clear periods. Still mild overnight, but cooler than the previous night. Minimum temperature 11 deg C (52 deg F).

Tuesday:
Another dry and fine day with lengthy sunny spells. Just some patchy fair weather cloud bubbling up at times. Still warm, but cooler than Monday. Maximum temperature 23 deg C (73 deg F).

Outlook for Wednesday to Friday:
Sunny to start Wednesday, but becoming cloudy during the afternoon. Showers spreading north later, perhaps heavy and thundery, continuing into Thursday. Largely cloudy Friday with some showers possible. Very warm.
